Lori Howard is an internationally recognized Executive Career Coach and Leadership Consultant, LinkedIn Expert, and Professional Resume Writer with 15+ years of experience working and leading in technology.

She is on a mission to help leaders and executives find an epic next job they love and build a career legacy that fills them with pride while getting the money they deserve.

### **Lori is an audience favorite, known for her lively and interactive presentations, seminars, and programs.**

All presentations are adaptable in length.  
Customized presentations are available by request.

### **Lori is the perfect Speaker if your audience wants to:**

- Be recognized as a leader in their industry, sector, or company
- Make an impact through their work
- Get the income they desire and deserve

### **Key Takeaways:**

- ✓ Move from frustrated and stuck to having an actionable strategy for landing a job you love
- ✓ Move from invisible to visible with a professional positioning approach that works
- ✓ Move from undervalued to knowing the keys to recognition

### **LORI'S BIO**

Lori has worked with hundreds of executive-level clients to find their EPIC next job using her innovative method, the Epic Next Job System.

After starting her career as an Electrical Engineer, Lori quickly advanced to Vice President before launching her own business in 2007.

Lori's clients choose to engage her not only because of her results-driven, outcome-based approach, but also as a result of the expansive experience, accolades, and results that she consistently generates with her clients across the US and globally, which include Executives, C-Suite, Directors, Managers, and Industry Specialists.

### **RAVE REVIEWS**

*"Lori opened my eyes to a whole new approach to finding a career that makes me feel empowered."*

--Cathleen A, Manager

*"Through the tools Lori taught, I got that gig that would have fallen into daydream territory before."*

--Pat C, Software Executive

*"Lori's approach is consistently well-balanced between nitty-gritty get-it-done tactics and long-range visioning and strategy."*

--Amy J, COO and Co-Founder
